

H.R. GARDNER, M.L.A. ROCKHAMPTON. PAPERS.

Harold Raymond Gardner, M.L.A. was the member for Rockhampton from 1956-1960. Although holding no specific portfolio, he was always actively involved in any plans for Rockhampton's benefit and improvement. His papers are not only a very adequate coverage of his work during his years in office, but also mirror the deep concern he always felt for his hometown.
